CALLING ALL Santa Letters—The Herald will appear one-day early next week with its annual Christmas edition of letters to Santa, Christmas sermonettes and season's greetings from the individuals and businesses of Cameron.

The tradition of combining Christmas messages from area ministers and letters to Santa from hundreds of county children began last year.

You will receive your paper Wednesday morning, December 24, in time to know what Junior expects Santa to leave under the tree.

99-99-99-99

Christmastide is always an impressive time for decorations in the stores and about town in general. Driving through the downtown area at night is a sightful experience indeed with the grand variety of decorations on the fronts and in the windows.

Everything from reindeer and Santa in his sleigh to caroling scenes and windows handsomely dressed in Christmas tinsel and lights make it festive and bright.

The courthouse Christmas tree all 25 feet of it, really brightens the square too.

99-99-99-99

Christmas merchandising ads in the papers are more eye-appealing, more plentiful, etc. Of course we are prejudiced about ads in general. In our case, they have something to do with money. Not much money, you understand, but enough to make space available for such scraps as Column 99, the unsyndicated, unchallenging, unending story of man's failure to master his typewriter.

Anyhow, Christmas is upon us and there's little we can do about it.

For some it's the mad scramble of year-end business. For most of us it's a visit with family and friends around the Christmas tree after a hard-fought battle to find the right presents for Johnny, Dad, and Junior. For all, it's an experience joyfully anticipated, happily spent and long being paid for.

99-99-99-99

Nevertheless, we wish you a happy last-minute shopping spree. And watch out for the ape who'll probably snatch that final Christmas purchase from your hand. It'll probably be me!

Yoe Band To Present Christmas Concert

Francis Cox, Yoe High Band Director has announced plans for a Christmas Band Concert at 9:30 a.m. Friday in the high school gymnasium.

The program which is open to the public, will include: Winter Wonderland, The Christmas Story, A Fantasy On The First Noel, We Three Kings Of Orient Are; a snare drum trio, "We Three", by Beverly Schiller, Joyce Hannon, and Virginia Reichert; and four overtures, Christmas Reverence, Jingle Bells Rhapsody, March of The Kings and a fantasy on Adeste Fideles.

Cox said the variety will appeal to adults as well as to the student body.

Weather Notes

Crisp temperatures ranged from a low 21 to a pleasant 65 during the past seven days. The Weatherman calls for continued mild, sunny weather over the weekend.

SANTA Will Be There!

(See Cutlines Below!)

COUNTY KIDS INVITED — Santa is throwing a big Holiday Comic Cartoon Festival next Wednesday afternoon at 1:30 at Cameron's Milam Theatre. He will be there and hopes that about 1,000 youngsters from Cameron and Milam County to watch the free showing of 12 cartoons. He will have two showings, the first starting at 1:30 p.m. December 24 and the second starting at 3:15 p.m. that afternoon. Santa and his dozen cartoon features are being brought to Cameron by The Cameron Herald in co-operation with Milam Theatre, Cameron. See you there!

Santa Pals Hit High Gear

Cameron's Santa Pals project went into its crucial last days Thursday needing a host of new toys and repairable used toys, according to the Jaycee sponsors.

Jaycee workers spent several nights this week repairing bicycles, dolls, wheeled toys and play guns while several women's groups volunteered work dressing dolls.

Toys will be gathered up in a final work session Monday night and laid out by family and type at Yoe High School Gymnasium, Don Humble, project chairman, said this week.

Groups To Give

Several civic and church groups were planning Christmas parties and toy gift exchanges which would be turned over to Santa Pals.

Meanwhile Manager Bill Peck at Milam Theatre, Cameron announced a "Toys for Tots" showing 10 a.m. Saturday for county children.

He said admission to special showing would be one toy per child. Toys will go to the Jaycee Santa Pals Project immediately after the showing of "Halliday Brand," the Saturday morning feature.

The western movie stars Joseph Cotton and Ward Bond, of TV's "Wagon Train" fame.

Members of the First Christian, First Methodist and First Presbyterian Churches were planning Christmas toy programs which would also go to the Santa Pals.

Public officials and employees at the Milam County Courthouse City Hall and the Volunteer Fire Department were planning toy exchanges for the fourth annual Santa Pals project.

Barrels Available

Humble said that toys still may be left in the red Santa Pals barrels in front of White's Auto, opposite the Cameron Postoffice.

Final distribution to an estimated 200 needy children will be accomplished by Jaycee workmen early next week, according to Jaycee President Bill Crockett.

All recipients have been screened for actual need, Humble assurtd The Herald today. And gifts will be given following a check list of the number of children per needy family.

A number of local businesses have donated toys to the project, Humble said. Those giving toys include: Culpepper Furniture, Capperton's Five & Ten, Burris-Moseley Inc., Duke & Ayres, Burke's Variety, Whate's Auto Store, New Cameron Drug and others which will be listed next week.

Help Appreciated

Crockett extended the Jaycees' appreciation for the community-wide co-operation on the project, but reminded that Santa Pals needs as many toys as can be brought in by Monday morning.

Jaycees also placed barrels in the hallways of the schools for contributions.

Workmen would be busy through the weekend finishing work on the hundreds of used toys and gathering and sorting new toys contributed, Humble said.

Jaycee workmen will pick up any toys if donors call 271 or 282.

The Jaycees hope to reach twice the number of children receiving toys last year, Crockett said. "If enough new toys are donated, we may reach as high as 400 children before Santa makes his visit December 25."

Debris Dumping Draws Fire From Commissioners

A health menace at North Elm Creek Bridge has brought a severe condemnation from the county commissioners court against dumping debris there, according to Judge Charles C. Smith.

He noted the condemnation followed a report from the county health santiarian that dead animals, raw garbage and other debris created a health hazard at the Old Hearne Rd. crossing.

Judge Smith said the spot has been used for a dump ground and termed dumping of refuse a criminal offense if any offender is caught.

In another announcement Judge Smith noted that he signed a proclamation which would effect the new stock control law by January 11.

In the general election in November, a strong majority of voters approved the measure to control open ranging of cattle and other stock.

Of the North Elm Creek Bridge problem, Judge Smith told The Herald that trucks have been sent there at times to clean up the area left cluttered by persons who throw their garbage and other debris along the bridge.

Rash Of Fires Draws Marshall's Warning

A rash of grass fires this week brought a warning from Fire Marshall John Eanes for citizens to guard against carelessness with fire and cigarets.

His warning followed two house fires and five grass fires in three days in Cameron and vicinity.

Worst fire occurred Monday at the Hubert McClaren home, Marlow Community, where three rooms of the house were damaged to a yet undertimined extent of damage. Eanes said the fire probably started from a spark from a wood heater.

Household furnishings burned, he said while smoke and water caused some damage. Firem[illegible] confined the blaze to three r[illegible]oms.

Two grass fires also [illegible]ere answered by firemen Mon[illegible] but no damage was reported. Three other grass fires Tuesday took firemen to Currie Community, the County Farm and West Cameron.

A second house fire occurred about 8:30 a.m. Wednesday at the Jimmy Peel home, 507 E. Seventh St. The fire started in a waste basket, according to Eanes.

Eanes noted that current conditions are extremely dry and asked that smokers avoid throwing cigarets at the edge of open fields.

Collisions Injure Pedestrian, Cause $350 Auto Damage

Two collisions this week netted one injured pedestrian and about $350 in auto damage, according to Police Chief Chester Simons.

Paul Helmcamp, 75, of 204 S. Nolan, is recovering from head injuries after collision with a car driven by Mrs. Minnie Simmons Booze, 31, of Cameron.

Simons said that Helmcamp was walking across the intersection of Travis and Gillis Sts. about 7:40 a.m. last Thursday when he walked into the Booze vehicle.

Simons said that Mrs. Booze was driving east on Gillis and was unable to see Helmcamp because of the sun shining in her eyes.

The police chief quoted Helmcamp as saying he did not see the 1956 Oldsmobile coming. He suffered head injuries, Simons said.

In a two-car collision 9 a.m. Monday, $350 damage and no injuries resulted at the intersection of Batte and Rush Sts.

Simons said that cars driven by Sylvia Taplin, 37, of 811 S. Nolan, and Ben Gene Reynolds, 18, 1308 N. Crockett, collided, causing $125 damage to Reynolds Dodge pickup and about $225 damage to Mrs. Taplin's 1952 Mercury.

Chief Simons said a ticket was issued to Mrs. Taplin for failure to yield right-of-way.

Council Okays Road Plan, Upholds Back-Tax Policy

Free Parking Set In Cameron For Next Week

Christmas shoppers got a present from the City of Cameron this week when the City Council voted to cover downtown parking meters for the final three days before Christmas.

The vote followed the request by Richard Moseley, city councilman and new chamber of commerce manager, to grant a three day reprieve here.

The meter heads will be covered Monday morning with paper sacks and Meter Officer Marshall Terry will direct downtown traffic.

The meters will remain covered through Wednesday evening.

Meanwhile Moseley announced that Santa would be in town again Friday afternoon and Saturday to meet the Milam County Children.

St. Nick was in Cameron over the past weekend hearing from his county admirers and collecting toys for the Jaycee Santa Pals project.

City officials urged downtown employees to park their cars out of the downtown area during the three-day moritorium on the parking meter charge.

It was the second free-parking move by the Council in about a year. Last spring the city fathers voted to allow free parking on Saturday afternoons in Cameron.

Moseley reminded shoppers they need not pay any Saturday afternoon as well as the three-day period starting Monday.

J. F. Brown, 87, Former Alderman Contractor, Dies

Former City Alderman, J. F. Brown, 87, died at his home, 603 East 6th Street, Cameron, at 2:45 a.m. Tuesday.

Funeral services were held Wednesday at 2:30 p.m. in the Chapel of Green Funeral Home with the Rev. E. J. Davis officiating. Interment was in Oak Hill Cemetery.

Brown moved to Cameron in 1917 as construction contractor for the present Post Office building. He has owned a contracting business here since that time and has built a number of residential and commercial buildings. Brown was active in city affairs and was member of the First Methodist Church.

Surviviors are 2 daughters, Mrs. Dero Jenkins and Mrs. Penn Wolf, both of Cameron; 3 sons, Robert L. Brown and Fred Brown, both of Waco, and Frank Brown Jr. of Baytown; 4 grandchildren and 2 great-grandchildren.

Pallbearers were: C. F. Swift, Albert Collins, Frank Reid, A. H. Hightower, Wyatt Wolf, R. P. Williams, Jim Mitcham and A. E. Matula.

'Cameron Action'

CofC To Print Paper

The Cameron Chamber of Commerce will institute a four-page monthly newspaper this week, according to President Hilliard Thomas.

It will be edited by Chamber Manager Richard Moseley and contain news of Chamber activities, new businesses, general civic activities.

Masthead for the new publication was designed by Alan Smith, son of Mr. and Mrs. Hugh Smith, who is working as a commercial artist in Houston.

Approval for the official chamber publication came at a board of directors meeting last month, Thomas said.

Moseley also announced that the Cameron Chamber will produce a brochure on the salient features of Cameron as an industrial and commercial center in January. He said that 25,000 of the two-color folder will be printed for distribution through local business mail, at conventions and local filling stations on main highways.

The Chamber monthly, entitled Cameron Action, will go to Chamber members, prospective members, area chambers and schools.

The Chamber's first issue will contain articles on reasons for the need of a strong Chamber, plan for a Chamber membership drive starting after Christmas and a number of articles on local chamber committees, Moseley said.

Moseley said a circulation of 500 Chamber papers will be issued monthly to all area agencies interested in Cameron activities.

Subscription price for non-members of the Cameron Chamber will be 50 cents, Moseley said.

Niley Smith Named As Interim Trustee

The Cameron School Board Thursday named Niley J. Smtih, Cameron interim trustee to succeed Don G. Humble, who wll resign January 1 to take office as county judge.

The announcement followed a regular meeting of the school board last week at Ben Milam School, according to Supt. Wiley Loughmiller.

And the board instituted a new school taxes after a 30-day deadline notice.

The measure follows a similar move by the city of Cameron to collect some $40,000 delinquent taxes on city books.

Letters To Be Sent

The measure is now in effect, Loughmiller said, and will mean letters notifying delinquent taxpayers of their school tax status would start going out in March, 1959.

In other financial business, the school board voted to pay for audits of the Ad Hall and Marlow school districts incorporated by the Cameron School District last June.

Loughmiller noted school cost data released on county schools by the Texas Education Agency which showed Cameron had the lowest per pupil school cost of any district system in the county.

Pupil Cost Lowest

Cameron's cost per pupil in 1957-58 was $258.26. Loughmiller said the figures were reached by dividing average daily school attendance into total district costs for the year.

Other school districts and their per pupil costs were: Rockdale, $270.61; Thorndale, $273.40; Gause $282.20; Milano, $294.56; Buckholts, $301.97; and Sharp, $390.21.

In other action Thursday, the board set official closing dates for the tax office at Yoe Gymnasium. They are: New Year's Day, July the fourth, Thanksgiving, and December 24-25 for Christmas.

Also approved was a bid from Anderle Lumber Co. of $379.50 for venetian blinds to be installed on the northside windows of Ben Milam School.

Cameron Fathers Favor New Plan, Split On Taxes

The City Council Tuesday night unanimously endorsed the Planning Commission's six-point priority listing of street projects and split in a 3-2 vote to uphold policy requiring full payment on a delinquent tax case.

Councilman Richard Moseley's motion for approval of the priority plan for street improvements drew a unanimous vote following a reading of the recommended projects.

But in hearing an appeal from W. P. Bryan, Rt. 3, Cameron, for a pay-out plan on 19 years delinquent city taxes, the Council voted 3-2 to uphold a policy of taking legal steps to collect back taxes from delinquent taxpayers.

Councilmen Sam Houston and Hayden Lawrence favored allowing Bryan to pay out the back-taxes in increments of a year's back taxes per month until paid.

Backed Policy

The Council's policy voted two weeks before to require full payment following 30-day written notice to delinquents was tested when Bryan requested time to meet the payments.

Councilmen Lincoln Mondrik, Roy Griffith and Moseley noted that each delinquent tax payer should receive equal treatment in meeting their obligations. The councilmen agreed that any cancelled checks or tax receipts showing prior payment of taxes charged in the current drive by the city would be honored.

Mayor Bassel Wilson charged the Council with the responsibility of living up to a policy set two weeks ago to follow through on the delinquent tax drive "fairly and impartially."

Wilson said that about $5,000 had been collected in the past 42 days and about $40,000 in delinquent taxes still remained uncollected.

Council approval of the Planning Commission's street program would set wheels in motion to work out financing details for paving, curb and gutter or graveling of several dozen blocks of city streets in the next few years.

US 77 Work Starts

Wilson said that preliminary construction on the US 77 widening project through Cameron began Monday and noted that another project would resurface the highway from the city limits to the "Y" intersection east of Cameron at US 77-SH 36.

First project on the program would be a three-way job on North St. The project would bring general street improvements to thoroughfares serving the major traffic areas of the city, Wilson said.

City Atty. Jack Prescott said that one-half of the liens for property owners on E. 10th St. were prepared and the remainder would be completed December 26. This work clears the way for paving and curbing E. 10th St. to N. Jackson which property owners petitioned for several months ago.

Also approved were drawings for the proposed 34 by 15 feet city jail which will be built in January following letting of bids January 6. The steel and concrete structure will house two cells and will cost about $3,500, according to official budget estimates.

Grants Lease

In other action the council granted John Etheridge, Cameron, a one-year lease for about 20 acres of city land for a high bid of $231.50.

The Council also asked that a new city ordinance be outlined by City Atty. Jack Prescott to control itinerant peddlers, salesmen and subscription seekers. Moseley raised the question in noting several recent incidents in which outside salesmen worked in Cameron selling questionable magazine subscriptions.

Choir, Speaker Give Christmas P-TA Program

The Cameron Parent Teachers Association met December 4 in the cafeteria of the Ada Henderson School with Mrs. E. O. Smith presiding.

The devotional was given by the Rev. E. J. Davis.

Under the direction of Mrs. Bill Crockett the girls eighth grade choir presented a selection of Christmas songs including "Blue Star", "Silver Bells", Winter Wonderland", "Deck the Halls", and "Angels We Have Heard on High"

Mrs. Jack Dubois presented the guest speaker, the Rev. Roger Shumate of Huntsville. In stressing the theme of the program, "Abiding Vlaues - Social, Cultural, and Spiritual," Rev. Shumate chose as his text I Corinthians 13-13, "And now abideth faith, hope, love these three, but the greatst of these is love."

Fosowing the program Mrs. Emory Camp, social hostess served coffe and cake.

SW Conference Sports

Tom Murray's Column

A FELLOW we know, considered an important figure in Baylor's higher Ex-Student echelon, may have to munch some of his choicest words.

When the University of Texas was forced to extract itself from a cancerous football situation, as Baylor did in disposing of Sam Boyd, our friend ridiculed Texas intelligence as shallow in hiring youthful Darrell Royal.

"It's an insult," he stormed, "to the rest of the Southwest Conference." He likened Royal, the former Oklahoma All-America quarterback, to a runny-nosed youngster, not ready to assume the job of such proportions.

"Those egotistical Texas Exes," he funed, "think that because Royal played for Oklahoma, he'll turn some kind of magic. Tell me! Who did he ever beat?"

"Bud Wilkinson will teach him he should have stuck to quarterbacking," the fellow warmed to his subject. "I don't believe in hiring these young, untried glamour boys. Darrell will get his quick. Those Texas Exes will eat him alive!" all, this "glamour boy," has in two years won 13, lost six in the Sugar Bowl, has twice beaten Texas A&M the school's natural rival, and ended Oklahoma's seven-year victory string over the Orange.

Not bad, considering the largest state school in the south has managed but 10 victories in the three previous years.

What must surely be rankling our friend was the first release of a "hot" prospect for the Baylor position vacated by Boyd, fired over two successvie losing seasons.

"A leading candidate for the job," said Associated Press, "is Eddie Crowder, 28-year old former Oklahoma All-America quarterback now Bud Wilkinson's backfield coach....."

OUR BLUE plate upset of the week comes Saturday when Bob Barfield's Pasadena Eagles will defeat Wichita Falls for the State Class 4A football championship say about 21-16. The mighty coyotes are highly favored, but do not have Randall Kerbow, Pasadena's ice-water quarterback. The only lad we ever saw as cooly confident as Kerbow was Baytown's Donald Walker, 160-pound magician whom a cruel knee injury stopped in the ninth game of 1955. We pick Breckenridge to burst Kingsville's bubble for the 3A title and Elgin to bag White Deer for the 1A crown .... You've got to have luck," one of South Texas' leading mentors moaned, leaving the frigid Rice Stadium premises moments after Pasadena held off Miller, 7-6. How true. Personally, we feel the best team won. But the Eagles were fortunate indeed. Three dropped passes, all certain touchdowns, averted a Miller runaway. Another time Buc quarterback Marcus Perez overthrew an open receiver in the Pasadena end-zone. Then a questionable third-down running play at the Pasadena 15, less than a minute remaining, brought on a give-up field-goal attempt. Three penalties averted another Miller drive, which reached the Eagle one-yard line, and two slowed the last one that ended in the field goal try. Very few teams ever reach the state finals because they simply go out and blow the other team down. must decide 'em. Who makes the breaks? That's another argument The best running back we saw in high school football this year? Kenneth Lee Tilton, Barbers Hill's 155-pounder who scored over 20 touchdowns, principally on gainers over 50-yards is the choice. This lad has that wonderful balance belonging only to the Doak Walkers and Walt Fondrens. He, by the way is a first cousin to Gordon Speer, the splendid galloper who rode the Rice bench much of the past season, yet the Owls over Texas, 34-7 and almost did Army in with breath-taking footwork .. Who was second best? Angleton's Randy Curson, 165-pound quarterback, and El Campo's Eugene Dornak fall into that category .... Keep your eye on Libert next fall. Coach M. L. Lampert returns 17 of his top 21 men and that is a pretty potent football team, despite that 34-3 Angleton victory in the semis.

Josey Scores 19 Points As Yoe Marks Victory

The Cameron Yoemen wrapped up their second victory of the season Tuesday night in Giddings as they bullied their way over the Giddings Bauffaloes by a score of 46-40.

John Wayne Josey topped all Cameron individual scorers for the night with 19 points. Previous high for a single game was Turner Newton's 13 points. Josey picked up 6 points in the first quarter, 5 in the second, 6 in the third and 2 in the last.

Cameron took the lead in the first frame with 13-10 and picked up 12 points in the second frame while Giddings got 13. Cameron leading 25-23 at the half. Cameron's top scoring bid was in the third quarter when they picked up 14 points and Giddings 6.

Giddings made a big try in the last quarter when the score was 39-30 by scoring 11 times to Cameron's 7, totaling 46 points for Cameron and 40 for Giddings.

High point man for Giddings was Deaver with 14, Plocke and Zoch had 9. Newton was second in line for Cameron scorers with 10 points behind Josey.

Yoemen B Squad Tops Giddings Team 32-28

The Cameron oemen B team won their third straight game of the season Tuesday night over Giddings.

The 32-28 victory was due mainly to the scoring of sophomore David Barkemeyer who saw action in both the A and B team games Barkemeyers 16 points accounted for half of the Yoe scoring. Sophomore Bobby Griswold was second in Yoe scoring with 9 points followed by Chris Gay with 4 and Carrol Fikes with 3.

Cameron scored 11 in the first, 6 in the second, 9 in the third, and 6 in the 4th quarter. Giddings had 6, 4, 8, and 10 points in the 4 quarters and their leading scorers were Weigelt and Kasper with 6 and 5 points.

Tepera, Zarosky Draw Regional Football Honors

Basketball is the biggest thing in sports around Yoe High right now but the gridiron sport isn't to be forgotten.

The Cameron Yoemen landed two players on all-star Centex teams.

Ray Tepera was placed on the Waco Tribune's all-district team and George Zarosky, 180-pound end was Dub King's man on a super centex team.

Tepera, 160-pound guard and line backer on defense was a Yoe standout throughout the season on offense as well as defense.

Zarosky, a former fullback was considered one of the outstanding linemen in Central Texas for his ability in pass snagging and blocking.

Another interesting football note was that Ray Green, all-district end last year for the Yoemen received a letter on the SMU freshman squad. He was one of eight ends to receive letters and one of 37 out of some 70 ball players eligible for letters.

Lone Star Gas Files Request For Rate Change

Lone Star Gas Company has filed with the Railroad Commission of Texas an application for an upward adjustment of the Company's authorized intra-company city gate charge.

The present charge of 30 cents per thousand cubic feet for gas delivered at the city gates in Texas cities served by Lone Star for domestic and commercial usage and unaccounted for gas would be adjusted upward to 40 cents.

Approval of the requested upward adjustment would serve to re-establish the charge that existed for a long period of years prior to the year 1942 when the charge was reduced from 40 to 30 cents.

The application states that the proposed increase is based primarily upon the drastic increase in the cost of gas at the wellhead. This cost has risen approximately eight cents per thousand cubic feet since January 1, 1951. Additionally, there have been substantial increases in taxes, material costs, labor and other operating expenses.

Residential and commercial consumer rates would not be immediately affected by Railroad Commission authorization of an upward adjustment in the city gate charge But a company spokesman stated that the Company may be required at a later date to filt applications for increases in residential and commercial rates.

ROYAL COUPLE — Recently crowned queen of the Cameron All School Carnival, Miss Frances Jackson poses for a formal portrait with her escort Chris Gay. Miss Jackson daughter of Mr. and Mrs. F. E. Jackson, is a freshman at Yoe High School.

Baptists To Give Christmas Story

"Unto Us" by Claracy L. M. Waldrop will be the dramatic presentation of the Christmas story Sunday evening at the First Baptist Church. The program is under the direction of Mrs. Bo Patterson.

All of the church young people will participate in the presentation with principal parts portrayed by Betty Butler as Mary; Stanley Price, Joseph; Bernay Dusek, Griffin Barrett and Thomas Sanders, the shepherds; Billy Hensley, Charles Wilkins and Stanley Fisher, the Wise Men; Stanley Kirk as Issaiah; and Thomas Leonard as Micah.

The choirs will be under the direction of Kay Cox and Mr. Francis Cox with Mrs. Francis Cox at the Organ and Jane Russell at the piano.

Terry Named Candidate For Ssholarship

Roger D. Terry of Yoe High School, son of Mr. and Mrs. Jim Tom Terry of Cameron, is among 14 candidates for the 1958-59 Alcoa Foundation Scholarship allotted to Rockdale Works, according to an announcement made this week by H. D. Maxwell, chairman of the selection board.

Also listed among the candidates are four Milano High School students: Denson Ford, son of Mr. and Mrs. Ben Ford; Frances Hoffman, daughter of Mr. and Mrs. Clarence F. Hoffman; Wayman Keen, son of Mr. and Mrs. Lee C. Keen; and Lois Ann Rose, daughter of Mr. and Mrs. L. E. Rose.

Initial interviews with the scholarship candidates were held last week in Rockdale. Scholastic aptitude tests will be given to the group at The University of Texas in January. Selections of the winner is scheduled in the spring.

The winner must be the son or daughter of a Rockdale Works Alcoan and will receive $500 a year for four years while in college, providing satisfactory grades are maintained.

Lutherans To Have Children's Christmas Service Here Monday

A Children's Christmas Service entitled "Birthday Gifts for Jesus" will be presented by the children of Trinity Lutheran Church of Cameron, and First Lutheran Church of Rosebud, on Monday night, December 21, at 7:30 p.m. in the sanctuary of Trinity Lutheran Church.

The service, written by Ruth C. Werning, consists of songs and pageantry. Approximately thirty-five children from the two congregations will take part in the presentation. Such familiar Christmas Carols as "Joy to the World" "Away in a Manger", "Silent i-ght" and others, will be sung by the choir of children.

The program which is open to the public and sponsored by the Sunday Schools, is under the direction of the Rev. L. R. Krout, of Rosebud, pastor of the congregations.

US Army Accepting Enlistees For Europe

Qualified young men may now enlist for duty in Europe with one of two elite U. S. Army pentomic units through a special U. S. Army enlistment option, Sfc Leo A. Dermody announced today.

Enlistments are being accepted for the 2nd Battle Group, 4th Infantry, and the 2nd Reconnaissance Squadron, 7th Cavalry. Both are elements of the 3rd Infantry Division.

Sfc. Dermody pointed out that this special enlistment option is open for "buddy enlistments," whereby a young man may enter the Army with his buddies for the same unit and overseas assignment.

Further information on this choice, Not Chance, enlistment may be obtained from Sfc. Dermody at 102 North Main St., Temple.

Presbyterians Set Christmas Pageant

"The Living Nativity", Christmas pageant will be presented by the First Presbyterian Church at 7 p.m. Sunday. A Children's choir and the adult choir will take part in the pageant.

In the pageant Joseph will be played by Iven Vogelsang, Mary by Frances Jackson, shepherds will be Sam Lawhon, Edwin Adams Jr. and Jimmy McLarren, and the three wise men will be Mr. F. W. Vogelsang, Mr. Edwin Adams Sr. and Mr. Truman Pembroke.

Mrs. P. L. Bergum, program chairman, extends a welcome to the public.

B&PW Club Has Christmas Party

The Episcopalian Parish House was the setting for a Christmas party December 15 given by the Business and Professional Womens Club.

Mrs. Myrtle Keith gave "The Christmas Story" as a part of the program and Mrs. Franklin Dusek presented a chalk talk.

Miss Margaret Young sang "O Little Town of Bethlehem" and "Bless This House" accompanied by Miss Jane Russell at the piano. Club members joined in the singing of Christmas carols after these two selections.

Gifts were exchanged at the close of the program.

Civic Garden Club Combines Meet, Christmas Party

"Gift Wrapping Packages" was presented in demonstration and lecture by Mrs. J. D. Moore when the Civic Garden Club met for a regular meeting and Christmas party, Thursday evening at the home of Mrs. Dewey McElwrath with Mrs. G. A. McDermott as co-hostess.

The speaker illustrated various methods of wrapping a package, to give neatness, and gave detailed instructions for tying bows and other ornaments could be used on it.

Mrs. R. G. Grabein, club president, conducted a short business session and urged members to enroll in the Landscape Design School which will be held at Texas A&M College on February 18 and 19th, sponsored by Texas Garden Clubs, Inc.

Mrs. Emory B. Camp was a guest for the meeting. The door prize was won by Mrs. John Ryan.

During the social hour, Miss Carol Ann Wilson, the hostess' grand daughter, distributed gifts which members exchanged. The tea table was covered in white with effects of gold and was centered with a dried arrangement, sprayed in gold, and designed by the hostess. Gold candles glowed on each end. Mrs. McElwrath served spiced punch and Mrs. McDermott offered delicous fruit cake, cut in tree designs, wreath mints and party sandwiches.

Mrs. Childress Hosts History Club Party

Christmas decorations graced the home of Mrs. George Childress for the Cameron History Clubs annual Christmas party December 9.

Mrs. Eber Flinn told a Christmas story, "The White Kid Glove" for the special program and members enjoyed a gift exchange.

Salad, fruit cake, salted nuts, tea and coffee were served from the dining room table which was covered with a pink felt Christmas cloth. Mrs. S. A. Cottle and Mrs. H. F. Smith Jr. assisted at the refreshment table.

You Drive For Your Fate...

The number of accidents occuring in the local area has increased markedly since the one-car accident injuring five teenagers last week.

It is sometimes difficult to understand why the holiday seasons seem to be the most fatal period even off the busy hgihways and heavily travelled throughfares of cities and towns.

Perhaps it is the holiday atmosphere that unconsciously influences the drivers' reactions or their attention to the road ahead.

Immediately before and after the Yule and New Year's holidays, there is often more drinking on the road than in the home or public places.

But the holiday bustle is as often the cause of accident and collision than any other influence.

Each holiday of the year, the public is deluged with the warnings and advice of press and public officials. But the toll rises regardless of weather, road condition or advice.

It is still up to the individual driver to think while he drives and guard against heavy-footed passing on hills and caution zones. The decision for auto life and death is with him.

We can't change his fate. We can only remind him of its inevitability.

THE LITTLE RIVER PHILOSOPHER

Finds The Government Is Winding Up Year In Same Shape He's In

Dear editar:

As the year winds to an end, I am amazed but still finding a great deal of comfort in learning that me and the Federal government handled ouf finances in about the same way the last twelve months.

At the start of this year, Washington announced that the national budget could be balanced this year, due to the fact 1958 was going to be unusually good and in addition to getting more income tax money, expenses could be cut too.

Well, I started the year in about the same frame of mind. Like the Federal government, I knew I was living beyond my means, but I figured my income would pick up and my expenses would drop off, and I'd wind up in good shape.

Unfortunately, me and the government miscalculated.

According to an article I read last night, the government went in the hole by about 12 billion dollars this year, and it was easy to explain. The short recession knocked 7 billion dollars off of anticipated income tax revenues, and expenses went up 5 billion instead of coming down.

I'm winding up the year in about the same shape although you can knock off a good many zeroes from Washington's figures to get a picture of mine.

Now the trouble with this is that I would have figured Washington would have known better. It's all right for me to operate on an optimistic future, it's the only way to keep going out here on this farm, but you'd think Washington would take a little more realistic view of things. I've known for years that there rarely is a crop worth as much at harvesting time as I figured it would be at planting time, but that's the basic principle we farmers use to maintain a surplus year after year, but my advice to the government is that they'd better let us farmers use this principle and the government figure out a different one. Any time the government tries to balance its budget ahead of time on the strength of what I might earn in the next twelve months, well, all I've got to say is that the government not taking any practical view of the matter. I hope the government does better next year. Personally, I intend to do about the same as this year.

Yours faithfully,

J. A.

Capitol Report

Wilson Opens Drive On 'Debtors Prison'

By Vern Sanford
Texas Press Association

AUSTIN—Atty. Gen. Will Wilson's drive against overcharging of small borrowers is reaching the "massive resistance" level.

Goal is to eliminate from Texas a sort of modern-day "debtors prison." Wilson described the "tragedy" in which low-income people borrow a little, then pay back, pay back and pay back, often several times what they borrowed. Yet they remain in debt, unable to get ahead of the mounting charges.

In one day Wilson's office filed 217 injunction suits against small loan companies over the state. This is in addition to 46 other suits filed in recent months.

Involved in the 217 suits, said Wilson, are some $10,000,000 in loans to about 200,000 borrowers. Interest charges range from 100 to 300 per cent annually. (State constitutional maximum is 10 per cent.

It's the largest drive of this sort ever conducted in Texas, says Wilson, and the only one is recent history in the nation.

But apparently there's no room for it to get even bigger. "We suspect 1,000 companies," said the attorney general.

Texas anti-Shylock operation got underway when the Board of Insurance slashed credit insurance rates in half. Before that, said Wilson, the loan companies could make extra profits legally by requiring borrowers to buy high-cost eredit insurance.

After this, said Wilson, the loan companies switched to "brokerage plans" which reportedly result in the 100 to 300 per cent annual interest. Wilson and his assistants will try to prove in court that these operations are illegal.

If the over-all campaign is successful, said Wilson, by the end of 1959 the only loan companies operating will be using the "certificate plan," which results in interest of about 20 per cent. Wilson regards the "certificate plan" as unconstitutional but says it might be an acceptable interim arrangement until the Legislature overhauls the small loan laws.

Insurance Proposals

State Board pf Insurance and Texas Research League have proposed several dozen changes in the insurance laws for the next Legislature.

More recommendations are due in a few weeks when the Senate General Investigating Committee makes its final report.

In contrast to the drastic "reform" measures that shook past sessions, the insurance legislation seen thus far is more on the order of "housekeeping rules." Most are designed to make possible more efficient administration, do away with unnecessary red tape, overlapping functions and in many cases make the existing laws clearer.

Board will ask the lawmakers to set up an interim committee to study possibility of completely revising the insurance code to elimiparts.

Both the board and the League suggest doing away with annual re-licensing of companies and agents. Board says it has a "mad scramble" every year trying to check all statements before the licensing deadline. Employes work all hours and still haven't time to do the job justice. Under the proposed arrangement, checking would go on all the time and licenses would be continuous until and unless cause was found for revoking them.

Research League also proposed some changes in the laws to clear up the tangle of authority over the liquidation of bankrupt insurance companies. One is to make the liquidation office an integral part of the Insurance Department and give the commissioner direct responsibility. At present, liquidation is rather loosely attached to the Department.

Medical Care Urged

State Committee on Aging recommends a law that would allow people on the state welfare rolls to rerceive up to $6 a month medical aid.

Passage of Constitutional Amendment 8 last month authorized making such payments for the aged, blind, dependent children and totally and permanently disabled.

Committee on Aging estimates this minimum $6-a-month program would cost up to $9,000,000 a year. It labeled "prohibitive" the probable cost of paying all medical costs for all persons on welfare.

Sen. Crawford Martin of Hillsboro is chairman of the committee

Glass Suggests Poinsettas For A Perfect Gift

Donald Glass suggests that you brighten your holiday season with Poinsettas by Glass and that you give them as a colorful Christmas gift.

"We have a large selection of poinsettas to choose from for local delivery, or we can wire them to any point in the world for Chirstmas delivery," Glass adds.

Glass, the Florist is a member of Florist Telegraph Delivery Association, a world-wide group of outstanding florists that can send flowers by telegraph order.

Flowers by Glass are greenhouse fresh to their customers. Glass, the Florist grows most of their flowers in their own local greenhouses.

Freshly picked, the flowers are beautifully arranged by the skilled floral decorators at Glass, the Florist. And they are delivered in fast, efficient manner in one of five trucks working in Cameron and a truck in Rosebud.

"We consider the floral occasion in recommending types of flowers and their arrangement to our customers," Donald Glass points out, "and we strive for the personal touch that flowers convey when they are given as a gift or special

"We try not to overlook any service that flowers properly grown, arranged and delivered should give," he continues. "There is something special about getting a gift of flowers and continuous attention by the florist makes receiving flowers an occasion to remember."

Drug Store Annex

New Cameron Opens Toyland

New Cameron Drugs Toyland Annex is now open and stocked full of Christmas delights according to Earle Curtis, owner.

Some of the many Christmas toy buys are loveable, durable stuffed animals, wheeled toys, durable and educational world globes, and every type of game.

Curtis adds that the valuable Milam vouchers are also available on purchases made at the Toyland annex. "Premium vouchers may be earned with any purchase at New Cameron Drug and a list of the gifts with the amount of premiums needed are available at the store," he adds.

Milam Vouchers are an exclusive feature with New Cameron Drug. Owner Earl Curtis says, "Buy at home - save at home - earn valuable premiums in cameras, toys, appliances and lamps along with many other valuable items."

A graduate of the School of Pharmacy, University of Texas, Curtis has received national awards for his merchandising and pharmaceutical work from Rexall Drug Co., drug distributors. They include a plaque for outstanding merchandising in drug business and a copy of an ancient mortar and pestle of the early 15th century.

New Cameron's prescription service includes direct lines to doctors offices for fast, efficient prescription service when time is of utmost importance.

"Most important," Curtis points out, "we maintain a fresh supply of anti-biotics and drugs that is as complete as we can make it."

New Cameron Drug also sells prepared drugs with the famous Rexall label and a wide line of gift items. Rexall products are nationally advertised, Curtis adds.

TO THE QUALIFIED RESIDENT PROPERTY TAXPAYING VOTERS OF MILAM COUNTY WATER CONTROL AND IMPROVEMENT DISTRICT NUMBER ONE:

NOTICE IS HEREBY GIVEN that an election will be held on the 13th day of January, 1959, being the second Tuesday in January, at Buckholts American Legion Hut, in the City of Buckholts, Texas, and within the Milam County Water Control and Improvement District Number One, accordance with the provisions and upon the questions contained in the resolution and order passed by the Board of Directors of said District on the 3rd day of November, 1958, and which resolution is made a part of this Notice, in words and figures as follows, to-wit:

RESOLUTION AND ORDER FOR SECOND ANNUAL ELECTION OF DIRECTORS FOR MILAM COUNTY WATER CONTROL AND IMPROVEMENT DISTRICT NUMBER ONE.

THE STATE OF TEXAS
COUNTY OF MILAM

ON THIS, the 3rd day of November, 1958, being the first Monday in November, the Board of Directors of Milam County Water Control and Improvement District Number One convened in regular session at Buckholts, Texas, with the following members present, to-wit:

Frank Tomascik, President
Adolph Gresak, Vice-President
W. E. Beckhusen, Secretary
John Zajicek, Director
Fred Gresak, Director

when, among other proceedings had, the following resolution and order was adopted:

Director John Zajicek introduced the following resolution and order calling the second annual election of Directors for said District, and moved its adoption. The motion was seconded by Director Fred Gresak. The motion carried with it the adoption of the resolution and order and was unanimously carried by the following vote:

AYES: Messrs. Fred Gresak, Adolph Gresak, John Zajicik, W.E. Beckhusen and Frank Tomascik.

NOES: None

RESOLUTION AND ORDER BY THE BOARD OF DIRECTORS OF MILAM COUNTY WATER CONTROL AND IMPROVEMENT DISTRICT NUMBER ONE CALLING THE SECOND ANNUAL ELECTION OF DIRECTORS FOR SAID DISTRICT

WHEREAS, it is provided by law, particularly Article 7880-37 R.C.S. 1925, as amended, that there shall be held in Water Control and Improvement Districts a general election on the second Tuesday in January of each year at which time directors for such districts shall be elected as therein provided; and

WHEREAS, the 13th day of January, 1959 will be the second Tuesday in January of such year and by the provisions of the aforesaid law, the Directors are required to call an election for the purpose of electing two directors for such District:

BE IT RESOLVED AND ORDERED BY THE BOARD OF DIRECTORS OF MILAM COUNTY WATER CONTROL AND IMPROVEMENT DISTRICT NUMBER ONE:

SECTION 1: That an election be held on the 13th day of January, 1959, within and for Milam County Water Control and Improvement District Number One of Milam County, Texas, for submitting to the qualified resident property taxpaying voters of said District the following proposition:

(a) The question of the election of two Directors for said Milam County Water Control and Improvement District Number One.

SECTION 2: That the manner of holding said election shall be governed by the general laws of the State of Texas for the holding of general elections, except as otherwise provided by the applicable provisions of Chapter 3A, Title 128, R.C.S. 1925, as amended, and only qualified resident property taxpaying voters of said District shall be qualified to vote at said election.

SECTION 3: That the ballots for said election shall be prepared in sufficient number and in conformity with Chapter 6, V.A.T.S. Election Code, adopted by the Fifty-second Legislature in 1951, and that printed on such ballots shall appear the following:

"FOR DIRECTORS"
Orab Arnold
Edwin Gandy

(As to the above, there are two directors to be elected. You may vote for those named or cross them out and write the names of the persons for whom you wish to vote upon each of the above two blank lines)

Section 4: That the entire District shall comprise one election precinct and the polling place of said election shall be at Buckholts American Legion Hut, in Buckholts, Texas, and within the boundaries of said Milam County Water Control and Improvement District Number One, and the following persons are hereby appointed officers of said election:

Paul Sakewitz, Presiding Judge
J. V. Petruy, Assistant Judge
Mrs. Johnnie Balusek, Clerk
Mrs. Edwin Gandy, Clerk

Said election officers shall make due returns of said election in triplicate to the Board of Directors within five days, one to be retained by the Presiding Judge, one to be delivered to the President of the District, and one to be delivered to the Secretary of the District at his office and be preserved in said office as provided by law.

SECTION 5: The Secretary of the Board of Directors shall obtain from the Tax Collector of Milam County a certified list of the qualified resident property taxpaying voters of said District and furnish same to the election officials prior to the election herein ordered. Any person appearing to vote and who is not known to the election officers to be a qualified voter and property taxpaying resident of such District, as herein stipulated, or if his vote is challenged, he shall be required to subscribe and swear to the following oath:

"I do solemnly swear (or affirm) that I am a qualified voter and a property taxpayer in the District. I did not acquire property prior to this election for the purpose of voting, but am a bona fide property taxpayer in the District."

SECTION 6: The Secretary of the Board of Directors shall give notice of the election herein ordered by publishing a true copy of this resolution and order for election signed by the President and attested by the Secretary of the Board of Directors, in a newspaper of general circulation published in Milam County, Texas, and of general circulation within the area of the District, once each week for three successive weeks, the date of the first publication to be at least twenty-one (21) days prior to the date of said election and not more than thirty-five (35) days prior thereto.

PASSED, APPROVED AND ORDERED, this the 3rd day of November, 1958.

Frank Tomascik,
PRESIDENT, BOARD OF DIRECTORS, MILAM COUNTY WATER CONTROL AND IMPROVEMENT DISTRICT NUMBER ONE.

ATTEST:
W. E. Beckhusen, SECRETARY, BOARD OF DIRECTORS, MILAM COUNTY WATER CONTROL AND IMPROVEMENT DISTRICT NUMBER ONE.
(Seal)

This Notice of Election is issued and given by the undersigned pursuant to authority conferred by virtue of the foregoing resolution and order of the Board of Directors of Milam County Water Control and Improvement District Number One, and under authority of law.

Farmer's Tax Guide To Include New Laws

The popular Farmer's Tax Guide information booklet on farm and ranch income tax matters, will be available in the near future. Printing, points out C. H. Bates, extension farm management specialist, has been delayed due to changes made in the tax laws by Congress.

Bates calls attention to several important changes which have been made in the tax code. An additional 20 per cent first-year depreciation write-off is now allowed on new machinery and equipment with a limit of $10,000 set for such purchases on an individual return of $20,000 in the case of a joint return.

New Rulings

Casualty losses on uninsured business property are now deductible as ordinary income losses, says Bates. In the past if a farm lost a barn by fire or storm, the deduction for any uninsured loss was offset first by capital gains. The loss is now reportable on Schedule F the same as depreciation and other business expenses.

Too, the law now permits a farmer to carry back an "operating loss" for three years instead of two. Bates points out that this permits a loss in 1958 operations to offset 1955 income on which tax was paid.

Bates urges all agriculturists to keep their "business fences" in top shape, and consult a representative of the Internal Revenue Service or a competent tax accountant on important tax questions. Local county agents, he adds, will make an announcement when the Tax Guides are available.

Farmers Warned Of Grain Mite Damage

County Agent J. D. Moore cautioned local farmers and stockmen to watch for grain mite damage to oats in his weekly crop report. He added that small grains had received some set-back from the high, dry, cold winds.

Moore reported that livestock conditions continue good although the approach of winter brings the usual feeding and management problems.

County Agents Report

Beef Cattle Field Day Studied

By County Agent
J. D. Moore

Experiments in grazing and feeding 113 steers at the Temple Station were studied Friday by breeders, feeders, vocational Agriculture Teachers, County Agents, and cattle buyers at the annual beef cattle field day conducted at the station.

Grazing Test

The calves were grazed and given a maintenance ration feed from November 21, 1957 to March 3, 1958 and during that time 19 head were sold for various reasons. Steers grazing on Barley and sweet clover from March 19, 1958 to July 12, 1958 gained 258 pounds per head for an average daily gain of 1.98 pounds per day for the best gain on grazing.

Feed Lot Test

The cattle were divided into 8 lots and put on feed on July 30, 1958. They were fed ground maize, hay, cottonseed meal and stilbestrol. One group received 2 pounds of cottonseed meal per day and another group was fed only 1 pound of meal per day. Daily average gains varied from 1.82 pounds per steer at a cost of 20.2 cents per pound to 2.34 pounds per steer at a cost of 16.6 cents per pound. Prevailing market prices on July 30 were used for all feeds.

The purpose of the field day is to provide cattlemen with latest research information on pasture management, utilization of home grown grains in a rotation system to improve the soil.

Detail reports of the tests are available at the county agents office.

Cattle Losses Reported

An outbreak of "blackleg" in cattle has been reported in the Marlow Community where several head were lost. This disease can be prevented by a vaccination program.

"Leptospirosis" is a cattle disease of increasing concern to stockmen. Already leptosirosis is the third most costly cattle disease in the U. S. causing losses of about $150,000,000 annually. A vaccine is available to prevent this disease. The two most costly cattle diseases are brucellosis and mostitis.

Treat cattle for grubs and lice. This is a most costly error commonly made by stockmen.

526 Cattle Consigned At Cameron Auction

Cameron Livestock officials reported 526 cattle, 5 sheep and 1 horse consigned last Thursday. Sixty-eight buyers and 184 sellers were represented.

The market ruled fairly steady to soft in spots on butcher cattle.

Auction officials report that the last sale for this year will be today. They added that there would be a sale on New Years Day.

Milam 4-H Adult Workers Attend Tractor School

By Robert W. Hoermann

Three adult leaders of 4-H Club work in Milam County have returned from Temple, Joe Rozner and Henry Tomasek, from Ad Hall Comunity, Richard Jistel, Cameron, where they participated in a two-day 4-H Club Tractor School with County Agricultural Agent J. D. Moore and Assistant Agent Robert Hoermann.

They were among 32 4-H Club adult leaders and county Agricultural agents from 5 counties who received instruction on safety, care and maintenance of farm tractor in order to give the same type instructions to 4-H Club boys in their respective counties and communities.

The school, one of 30 being held in the state, was under direction of R. G. Burwell, District Agricultural Extension Agent and W. L. Ulich, Agricultural engineer for the Texas Agricultural Extension Service. Co-sponsors of the 4-H Club Tractor Program in Texas was the Humble Oil and Refining Co. and the National Committee on Boys and Girls Work, Inc., of Chicago.

The 4-H Club Tractor Program is a part of a national movement designed to reduce farm and ranch operating cost by better maintenance of farm equipment.

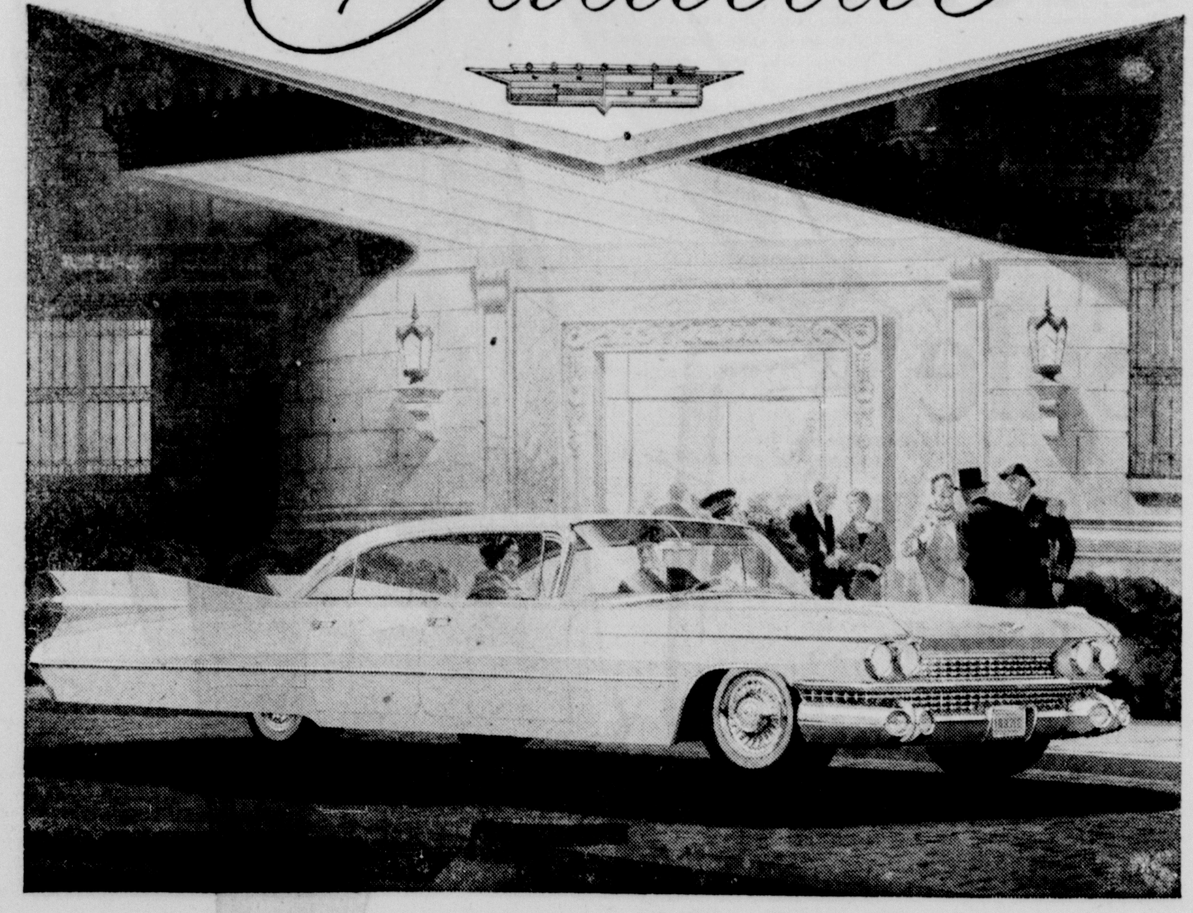
Cadillac



Unchallenged in the World's Affections!

If it could be said of any product of American craftsmanship that it is known and loved throughout the world—then it could surely be said of the Cadillac car.

In fact, it is unlikely that, in all the recorded history of commerce, another manufactured product has ever etched itself so deeply in the public affection.

And we feel confident that the beautiful motor car that bears the Cadillac name for 1959 will deepen this sentiment to a still greater degree.

For this newest Cadillac creation is *far* finer in all the things that have made Cadillac so worthy of the world's respect and admiration.

Its distinctive beauty, for example, is infinitely more graceful and enchanting—with a majesty of line and a fineness of form never before witnessed on the world's highways.

Its celebrated Fleetwood luxury will win international favor as never before—with appointments and fabrics that are unbelievably beautiful.

And its performance will quickly alter the world's concept of how an automobile should drive and handle—with a smoothness, an alertness, and an ease of control that put a new measure of magic into every mile it travels.

To make that Cadillac of your dreams come true investigate the virtues of the Cadillac without delay.

In fact, the car's unprecedented acceptance has made it *doubly* important that you place your order at the earliest possible moment.

Your dealer will be waiting to welcome you.
